

Dear fellow members:

I hope that this letter finds you all healthy, happy and embracing the beautiful yet scorching hot weather. I am sending you this letter as a quick update on where the BGCC sits with the provincial opening and easing of restrictions as of July 1,2021. The Golf course is in incredible shape this year and will be back into full swing as we all have been hoping for and looking forward too. The following will be in effect for the upcoming weekend:

1. Bathrooms in the campground will be open and available for use.
2. The showers in the clubhouse will be operational and available for the weekend beginning on Saturday July 3,2021.
3. Having a second trailer unit (**INCLUDING TENTS, TRAILERS,OR MOTORHOMES.**) on your lot will be allowed again as of Canada day. They will be required to pay for the nightly camping rate and **MUST** be registered with the Clubhouse prior to setting up on your site.

The General Manager and Board will be monitoring a close watch to ensure that any changes that do come from the County of Camrose or the Province of Alberta will be brought to your attention. As we gather any information that may be relevant, we may have to revert with little to no notice if the province or county deem it necessary to do so.

Please keep in mind that even though the province has lifted all restrictions and we as of July 1,2021 do not require face coverings and have no limit on the size of gatherings. There will still be some of our members as well as general public, day campers and green fee-paying customers that may still feel comfortable with utilizing a face covering or mask for themselves and utilizing social distancing for their comfort. Please let us all be respectful of everyone and their respective beliefs and current situation. We have all done so well and worked together through these interesting and challenging times.

On behalf of that Board of directors for the BGCC I want to wish you all a very happy Canada Day and be sure to get out and enjoy the beautiful weather.

Respectfully

Jason Sopka

Vice President of BGCC

Keep your head down, hit them straight, and stay hydrated.
