## WELCOME TO SUMMER

June is here, and so is the season of endless sunshine (we hope), birdies, and hopefully no bogeys! I'm thrilled to share some exciting updates and upcoming events that will make your summer at our golf club and campground unforgettable.

First, let's give a big round of applause to Richard and his team. Thanks to their hard work, the greens look so inviting you might be tempted to picnic on them (but please don't!). Their dedication ensures our course is always in pristine condition for your golfing adventures.

Mark your calendars with all the upcoming tournaments and events in June - it's a busy month. Please contact the clubhouse to register for events and tournaments. Jenna is once again organizing her fantastic Junior Golf program - Lil Red Golf Camp.

Contact the clubhouse or visit her Facebook page for more information and registration details. The program begins in July.

Be sure to swing by the clubhouse to enjoy one of our many drink specials or a delicious meal whipped up by our very own Shannon.

Please remember that no one under the age of 16 is allowed to operate a golf cart on BGCC property. This includes both private carts and rentals. All private carts must have working headlights installed for nighttime driving.

If you've removed a tree or had one removed from your property, please plant a new one to replace it. This will help preserve the beautiful surroundings of the campground for years to come.

Thank you for being part of our wonderful golf community. Here's to a summer filled with perfect putts, great company, and plenty of laughs!

Warm regards, Myrna Noble, President
