

BGCC End of Season Newsletter

Farewell to Another Great Season

The Board of Directors would like to extend our gratitude to all the members and campers for making this season at Bashaw Golf Course and Campground a memorable one. We would also like to express our appreciation to the dedicated staff, both in the clubhouse and on the course, for their hard work and commitment. Their efforts are what make our course one of the best hidden gems in Alberta.

The process of replacing the current deck has begun.....a huge thank you to the board members and volunteers who have stepped up to help with the planning, removal of old material and prep work for the new surface. Their selfless contributions have significantly reduced costs for the club.

We're excited to offer an opportunity to enhance the beauty of our course while honoring or recognizing a friend or family member—by sponsoring a new bench at one of the holes!
Keep an eye on your email for more details.

Thank you to everyone who took part in the AGM survey. If you haven't done so yet, there's still time—the survey closes on **October 9th**. We encourage all BGCC members to make their voices heard. A decision on the AGM format will be made during a Board Meeting this fall and will be communicated to the membership.

Wishing you all a safe and restful winter,
and we look forward to seeing you in the spring!

Warm regards,
Myrna Noble, President

What's Happening over the fall/winter?

Oct 9 - Last day to complete the AGM survey
Oct 14 - Golf Course closing for the season
Oct 16-17 - Water shut off in campground

March 15 - camping fees due
April 6 - AGM - format TBD
